

Essex House Coffee Co., Inc.

8 Railroad Place, Island Park, NY 11558 www.essexhousecoffee.com

Introduces the **NEW** Single-Cup Coffee Service Solution

- **Environmentally friendly**: our coffee pods are completely biodegradable, no plastic cups to pollute the environment
- **Cost reduction**: our single cup coffee pods contain more volume, 11gms per cup, but at 2/3 cost of your current service provider
- **Auto-eject pod brewer**: Automatically disposes of spent pods after each brew*

Quality At It's Best
